

## VNseries VN-7700

Simple convenience for easy note-taking. Record what you need with ease. The small and light weight VN-7700 makes it easy to take everywhere so you'll never miss a thing!

### Product features

#### Ultimate ease of handling allowing simple, one-handed operation

Simple operation has been achieved with large, highly visible buttons that can be thumb-operated, and a front speaker for easy listening. The recorder has been ergonomically designed to fit the forefinger and made easier to carry.

#### Full range of basic features broaden the range of use

Though simple to use, a complete range of advanced features is available including long recording time, a noise cancelling function providing clear sound playback quality, partial repeat and 15-setting speed control. User-friendly, each new idea expands the possibilities for use.

#### Long battery life you can rely on when out and about

Olympus has developed new low power consumption circuitry, achieving long battery life of up to 86 hours of recording. The long battery life provides peace of mind to first-time digital voice recorder users.

#### Large diameter, low-noise microphone

The large-diameter, omnidirectional microphone records sound from all directions for more comprehensive recording. Thanks to its low-noise capability, it captures fewer residual sounds and reduces breathing noise to deliver clear recordings. That makes this recorder perfect for dictations in any environment.

## Specifications

General		
Stereo / Mono (Built-in microphone)	Mono	
Recording Format	-	
Internal Memory	2GB	
External Memory	-	
PC Connectivity	-	
Plug-in Power	✓	
Recording		
Microphone sensitivity	Hi/Lo	
Voice activated recording	VCVA	
Timer Recording	✓	
Lowcut filter	-	
Internal microphone frequency range	150~7,900Hz	
Overall frequency response		
Sub Band CODEC	44.1kHz/32kbps	150~7,900Hz
Sub Band CODEC	22.05kHz/16kbps (mono)	300~4,700Hz
CELP	8kHz/8kbps (mono)	300~2,900Hz
Recording time		
Sub Band CODEC	44.1kHz/32kbps	75hr
Sub Band CODEC	22.05kHz/16kbps (mono)	194hr
CELP	8kHz/8kbps (mono)	1100hr
Playback		
Voice filter	-	
Playback speed control	2X - 0.5X	
Noise Cancel	✓	
A-B repeat	✓	
Others		
Recording & playback scene select	-	
File divide	✓	
Index mark	✓	
Calendar search	-	
Simple mode (Selectable font size)	-	
Power requirements	AAA alkaline battery x2, or AAA Ni-MH rechargeable battery x2	
Battery life — Recording (LP mode)	86hr	
Battery life — Playback (Earphone)	57hr	
Speaker / Maximum output	Built-in ø28mm round dynamic speaker / 190mW	
Dimensions (HxWxD)	104 x 37 x 19.1 mm	
Weight (including batteries)	66g
