LFH 7780 Digital Voice Tracer

Digital Voice Tracer 7780

The Philips Digital Voice Tracer 7780 is an advanced, stylish and practical digital note-taking device for the busy professional.

Whether used for business or pleasure, it is designed to make your life easier. Use the handy alarm function to remind you of important appointments, take notes in any of five recording modes or simply sit back and listen to your favourite sounds in high-quality MP3 format.

A large backlit LCD allows you to read the display comfortably even in poor lighting conditions.
