PHILIPS LFH 730

Mini Cassette Dictator / Transcriber

The secret of the Dictation and Transcription System 730 is that you don't search, you find. The Desktop 730 offers efficient dictation and transcription thanks to the Visual Workflow Display. Your recordings can be identified easily based on their priority and length.

Key Benefits

- All information at-a-glance with Visual Workflow Display
- Record important telephone conversations with built-in Telephone Recording option
- Scan and display all information with Auto Rewind Scan
- Fast return to the beginning of the tape with Auto Rewind
- Quick access to the start of the next job with Search Forward and Skip functions
- LCD Tape Counter shows information stored on cassette

Additional Benefits

- Fast access to any part of the tape with Turbo Wind
- Monitor Fast Forward and Rewind with Audible Scan
- Fast Erase enables swift deletion of confidential recordings
- Optimum transcription playback quality with Volume, Tone and Speed Controls
- Automatic Switch Off avoids unintentional operation
- Record Protection saves valuable dictation
- Pause transcription without missing a word with Auto Backspace Play
- 2 Level Adjustable Microphone Sensitivity for conference or close range recordings
- Invaluable information for transcription with End-of-Letter, Priority and Special Instruction Index Tones
- Available as a Transcription or Dictation Kit

Can also be used as a dual function machine with additional accessories
